Positive Vision *For Israel's Future*

Manhigut Yehudit led by Moshe Feiglin: will provide Israel with leadership based on Jewish values and concepts that reflect the average Israeli's national vision.

The Jewish Leadership faction of the Likud is blazing a trail for destiny based Zionism to lead the national camp. Feiglin has more than doubled his vote totals in each of the past three elections. His goal is to win the chairmanship of the Likud in the next election and lead Israel as Prime Minister.

Join the Jewish Leadership team and help us make the dream a reality!

Manhigut Yehudit offers a plan to:

- Craft and implement an Israeli constitution that strengthens and preserves Israel's Jewish identity.
- Provide at least an hour of Jewish education to every child in Israel.
- End Arab terrorism and the Iranian nuclear threat.
- Democratize the Israeli justice system.
- Massively expand worldwide aliyah.
- Apply Jewish values to foreign and domestic policy without coercion.
- Settle Judea, Samaria, the Negev, the Galilee, and return to Gush Katif.
- Restore pride to the Jewish nation.
